Accommodation will be arranged in institute guest houses and student hostels. Accommodation in outside the campus can be arranged but the options are limited, please contact us if you want to stay outside of our campus.

### ABSTRACT SUBMISSION

Please adhere to the instructions given in the website: <http://www.chemistry.iitkgp.ac.in> for abstract submission. The abstract should be mailed to [nmrs2016@chem.iitkgp.ernet.in](mailto:nmrs2016@chem.iitkgp.ernet.in)

### IMPORTANT DATES

**Abstract submission (Last Date):** December 31, 2015

**Notification to Authors:** January 10, 2016

**Final request for accommodation:** January 20, 2016

### ABOUT THE DEPARTMENT OF CHEMISTRY

Sir J. C. Ghosh, the first director of the institute started the chemistry department in 1952. Ever since the inception, the department has established the tradition of excellence in teaching and research in

various corridors of chemistry. With multifaceted research activities and state-of-the-art facilities, the department offers one of the best academic environments in the country.

The prime focus on the research activities is on basic and traditional areas of chemistry, relevant to the societal needs. The major

research encompass interdisciplinary areas such as organic, biophysical, bioinorganic, bioorganic, computational, material, nanomaterial, organometallic, polymer, solid-state, and theoretical chemistry. In 2011, the department was ranked by DST (Department of Science & Technology, India) as one of the top six chemistry departments in the country. The department presently has 32 faculty members and about 200 PhD scholars.

## NMRS-2016

The National Magnetic Resonance Society of India is organizing its 22<sup>nd</sup> meeting (NMRS-2016) during February 18-21, 2016 at Indian Institute of Technology, Kharagpur. The conference will deal with different areas of Magnetic Resonance including methodology, instrumentation, theory and applications in diverse fields of science, emphasizing on the impact of nuclear magnetic resonance on the allied sciences. Several plenary as well as invited lectures by eminent scientists from all over the world from various laboratories, academic institutions and industries will be delivered. Short presentations and poster sessions will also be included in the program. The best poster and oral presentation awards (two each, selected during the conference) will be given to the students. Moreover, to encourage the scientists working in the field of magnetic resonance the following awards will be presented in the conference.

- Prof. S. Subramaniam 61<sup>st</sup> Birthday Lecture Award
  - CBMR-NMRS Gold Medal and Jharana Rani Samal Best Student Award
- (for details visit <http://nmrs.iisc.ernet.in>)

## ABOUT IIT, KHARAGPUR

IIT Kharagpur started its journey in the old Hijli Detention Camp where some of our great freedom fighters toiled and sacrificed their lives for the independence of our country. The history of IIT Kharagpur is thus intimately linked with the history of the Hijli Detention Camp. This is possibly one of the very few Institutions all over the world which started life in a prison house. Since then the institute has made every effort to focus on problems of science and engineering and is acknowledged as one of the best in the country. The main motto of our institute is to be a center of excellence in education and research producing global leaders in science, technology and management and to be a place where where knowledge is created in frontier areas of national and global importance.

## PLACE AND CLIMATE

Kharagpur is about 150 km South-West of Kolkata and is well connected by rail and road with important metros like Delhi, Mumbai, Chennai, Bangalore and Kolkata and also with other important cities in India. The distance from Kolkata International airport to Kharagpur is about 150 km and takes about 2-3 hours by car.

The climate at Kharagpur during mid February is very pleasant. Temperature varies from 14-27 °C. Transportations from Kolkata airport to IIT-KGP campus and return will be arranged on extra payment basis.

## REGISTRATION FEE

Delegates can register by completing the enclosed registration form and returning it (by post), along with payment by a Demand Draft (DD), to the Conference Secretariat. All payments should be made in favor of "CEP-STC, IIT Kharagpur" payable at Kharagpur. DD along with the filled-in registration form should be sent to the Convener. Payment through Bank-Transfer is also possible.
